

KGV PLAYING FIELDS

At the heart of the community

SPONSOR A BENCH

A UNIQUE WAY TO CREATE A LASTING LEGACY

A donation of £10,000 to the Friends of KGV, will entitle you to a unique concrete bench, designed exclusively for KGV. These are situated in front of the pavilion and the surrounds of the grass pitch where teams and spectators regularly gather for sports and community events. You can choose to have your company logo, family name or sports club engraved onto inscription plates displayed on the benches. A unique way to create a lasting legacy, etched into the heart of Guernsey's historic playing fields.

In front of the Lord's Taverners Pavilion there are 12 sponsored benches dedicated to top Guernsey cricketers of the past and present. There are two benches remaining for cricketers of the current era, which are currently available to sponsor. These benches will hold the sponsors' name in small print indicating their support.

If you are looking to make a contribution that will leave a lasting legacy for years to come then please contact us.
