## ADVERTISING BOARDS

AN OPPORTUNITY TO PROMOTE YOUR BUSINESS WITH THE WHOLE COMMUNITY

Highly visible sponsorship boards around the KGV grass and 3G pitches are available to purchase with a three year contract. Not only will all revenue from these boards be reinvested in the KGV, but they also provide the perfect vehicle for promotion of your company. Take advantage of the large and consistent footfall from people visiting, playing sports or participating in activities at the complex. The KGV Bar & Terrace looks directly over the grass pitches with good visibility of the advertising boards. We have three options available for boards at KGV:

### OPTION 1:

Your design will be printed on a massive 10ft x 13ft sign, placed in a prominent highly visible position surrounding the grass pitches. Cost is £600 for a 3 year commitment.

### OPTION 2:

Your design will be printed onto a huge 7ft x 4ft sponsorship board placed around the 3G pitch. Cost is £600 per year for a three-year agreement.

### OPTION 3:

To advertise on both the grass and 3G pitches we are offering the attractive price of just £1,000 per year for a three-year deal.
